

Volunteer Income Tax Assistance (VITA) Volunteers PROVIDE... A SMILE, PEACE OF MIND, HOPE!

Volunteer Income Tax Assistance (VITA) programs provide FREE tax preparation services for qualifying households with incomes of \$49,000 or less. These sites are run by IRS certified volunteers who help families claim qualifying tax credits such as the Earned Income Tax Credit and Child Tax Credit. Sometimes, these credits amount to over \$5,000 and is a much needed boost to a low wage earning family budget. The VITA sites also save tax filers hundreds of dollars in high interest loans and unnecessary fees.
